

DEPARTMENT OF CSE - DATA SCIENCE

Topic: "Technical Insights into Real-time Data Analytics and AI."

Venue: C222, NHCE

Time-10 AM to 12 PM

Guest Talk

Department of Computer Science & Engineering (Data Science)

Technical Insights into Real-Time Data Analytics & AI

 22nd October, 2024

 10:00 AM

 Room C222

 3rd Semester students

Co-ordinator
Prof. Chandan Raj B R
Sr. Assistant Professor - CSE (DS)

Convenor
Dr. B Swathi
HOD - CSE (DS)

Mr. Ketan Janai
Founder & CEO
WebOK

On 22nd of October 2024, the department of computer science and engineering (data science), hosted a guest lecture on **“Technical Insights into Real-time Data Analytics and AI”**. The session was delivered by Mr. Ketan Janai, Founder and CEO, WebOk. The lecture emphasized the synergy between real-time data analytics and AI, highlighting how they work together seamlessly with human intervention.

The session aimed to educate students on the importance of Data Analytics and AI, and how to build a successful career in these fields. It provided a roadmap for students to prepare themselves in advance and become job-ready.

The guest lecture started with an explanation of the core concepts of Python, including its libraries and modules used in Data Science and Data Analytics. The speaker also discussed the functions of these libraries and the uses of these modules, using everyday examples to make the content more relevant and easier to understand.

The guest talk was highly informative and valuable for students looking to adopt or improve their skill set in the field of Data Analytics.

A stylized, handwritten signature in black ink, consisting of a large, flowing 'C' followed by several loops and a long horizontal stroke.
